Volunteer Newsletter April 2009

Volunteers Make it Happen!

Hello from all of us at the Challenge Center! This year we are celebrating 40 years of service in this community and it is once again time to reflect on all the great people who have helped us accomplish our goals. During the past year 170 individuals have contributed an estimated 1,850 hours throughout the various programs of the Challenge Center. We salute you all! There is no greater gift than the gift of yourself. For all the time you spend giving to others, you are appreciated more than you know!

You are a crucial part of the Challenge Center Team!
